Moving the meeting back to 2:00 works for me. Greg/Karen, I will probably be in a conference room, so I will give you a call. What number should I call?

Alan

Subject: Meeting Today

Dave and Alan,

It would be great if we could push back our meeting until 2 today. I am in Salem for the earlier part of the day and I would like us to meet closer to 2.

Dave and Karen will be in my office and we'll call Alan.

Thanks all.

Greg
